Introduction

Once again it is our pleasure to present you with a copy of our new wholesale list.

As always, our endeavor is to grow the finest plants possible. By selecting the better type plants of all varieties and propagating from them we believe we have accomplished much toward this end. All our plants receive the best possible care; they are root pruned and transplanted so as to develop a fine root system; they are sheared, sprayed, fed, cultivated and watered to assure compact clean plants. Your orders are dug and handled by experienced men in the very finest manner. Our every effort is directed toward developing and growing good heavy plant material offered at the lowest possible price and to merit your confidence and good will.

A price list is indeed a very poor indication of quality. We are offering quality plant material at a fair price, not "selling price" and feel that the value of a plant is seen rather than described. We urge you most cordially to visit our nurseries and inspect our acreage of plant materials. This, year in particular we can offer outstanding blocks of many varieties. Our nurseries are located on Route 73, three miles south of Reading, Pa. at the village of Angelica.

Yours respectfully,

ANGELICA NURSERIES

Thomas J. Kohl, Jr., Owner

American Association of Nurserymen
Pennsylvania Nurserymen's Association
American Rhododendron Society
Holly Society of America

Terms and Conditions

This list cancels all previous quotations and prices listed herein are subject to change without notice. Material offered subject to prior sale.

All prices are f.o.b. our nurseries.

QUANTITIES: **Field Plants**—5 to 24 at 10 rate, 25 and more at 100 rate except as otherwise stated. Less than 5 plants of a kind and size—50c additional per plant. **Potted and flatted stock**—less than 10 plants of a kind and size, 25% additional. 25 and more at 100 rate except as otherwise stated.

All stock when especially selected in the nursery will be sold at prices commensurate with the values of the specimens chosen.

Terms: Deposit required on all orders to be held more than 60 days. Cash in advance unless satisfactory arrangement is made when orders are placed. 2% discount allowed. To those establishing accounts with us terms are 2% 10 days, net 30 days. Interest at 6% per annum to be paid after maturity.

Plants become your property upon delivery to carrier and we cannot be responsible for loss, damage, or delay in transit.

We express or imply no warranty as to productiveness or life of stock. We assume no liability for delay or failure in filling orders due to strikes, accidents, crop failures or other causes beyond our control. It is mutually agreed that our liability for untrueness to name is confined to free replacement or refund of purchase price.

Claims must be made in writing within five days of receipt of goods.

All orders are based on the distinct understanding that the purchaser agrees to the conditions of sale as stated above.

Delivery Service

We can quite often arrange to deliver full trailer load orders with our own 32' closed van, for which a reasonable charge is made. If possible, less than trailer loads are combined with orders consigned to a certain locality and will bring a small additional charge to the customer over full trailer load delivery to one destination.

WHEN PICKING UP STOCK WITH YOUR TRUCK please be sure to send a tarpaulin or suitable covering to protect your plants from drying out on the road. We will supply labor to load your truck and during the busy planting season can arrange to load your truck in the evening or Sundays if necessary.

Broadleaf Evergreens

GABLE'S AZALEAS

each each each
each per 10 per 100

Unsurpassed for hardiness in this area. Developed especially for climatic conditions by Mr. Joseph Gable.

#A-2—Rosebud—Pink flowers resembling miniature roses. Late bloomer.

10 to 12 in. 4 yr. field grown ..	1.75	1.65

**RHODODENDRON
HYBRIDS**

We are growing approximately 200 varieties of hybrid rhododendron, propagated by stem cuttings, putting all varieties on their own roots. We offer these in most varieties in quantity and in sizes ranging from rooted cuttings to heavy landscape material.

Four inch deep flat of own-root hybrid rhododendron transplants, ready to go. Plants are cut out with a peat ball, wrapped in waxed paper and packed for pickup or shipment.

each each each
each per 10 per 100

OWN-ROOT TRANSPLANTS—Available in Spring —Write for special list.

Over 90 varieties rooted each year. Rooted cuttings are transplanted into 4" deep flats; make one growth in a greenhouse, which is hardened off. Plants are cut out with a peat ball and individually wrapped in waxed paper when ready in May. Prices range from 50c to \$1.00 each per 100.

HYBRID RHODODENDRON B&B Sizes

This year we have an exceptionally good supply of field-grown landscape size rhododendron hybrids; many varieties are well budded.

One of four blocks of finished hybrid rhododendron on their own roots. 18 inch to 3 ft.

ASSORTED—Hardy varieties. Cutting grown hybrids. Including reds, pinks, whites and purples.

2½ ft. W. x 3 ft. H. globe	9.00	8.75
4 ft. W. x 4 ft. H.	16.00	15.50
4½ ft. W. x 4 ft. H.	17.50	17.00
5 ft. W. x 4 ft. H.	18.50	18.00

Block of spreading yews.

	each	each	each
	per 10	per 10	per 100

Media #18—Growth similar to *T. cuspidata*. Foliage a shade lighter green. Very graceful plant.

15 to 18 in.	3.25	3.00
18 to 24 in.	4.50	4.25
2 to 2½ ft.	5.75	5.50
2½ to 3 ft.	8.00	7.50
3 to 3½ ft.	11.00	10.50
3½ ft. W. x 2½ ft. H.	13.00	12.50
4 ft. W. x 2½ ft. H.	15.00	14.50

Media Browni (Brown's Yew) Compact growing upright globe with dark green foliage.

12 to 15 in.	2.75	2.50
15 to 18 in.	3.75	3.50
2½ ft. x 2½ ft.	11.00	
3½ ft. W. x 3 ft. H.	16.50	16.00
4 ft. W. x 3½ ft. H.	18.00	17.50

Block of small yews, coming along

Media Hatfield (Hatfield Yew) Broad upright columnar yew.

3 to 3½ ft.	11.50	11.00
3½ to 4 ft.	15.00	14.50
4 to 4½ ft.	17.00	16.50
4½ to 5 ft.	20.00	19.50

	each	each per 10	each per 100
--	------	----------------	-----------------

Media Hicksi (Hick's yew) Upright columnar yew with very dark glossy foliage. An abundance of bright red berries.

15 to 18 in.	2.75	2.50
18 to 24 in.	3.25	3.00
2 to 2½ ft.	4.25	4.00
2½ to 3 ft.	5.50	5.25
3 to 3½ ft.	7.50	7.00
3½ to 4 ft.	11.00	10.50
4 to 4½ ft.	13.00	12.50
4½ to 5 ft.	15.00	14.50

Media Kohli—Darkest green yew with heavy foliage and stems. Grows like Browni—upright globe.

15 to 18 in.	3.50	3.25
18 to 24 in.	4.75	4.50
Full 2 ft.	5.50	5.00
2 to 2½ ft.	6.00	5.75

Taxus Media Vermeulen, 3 to 4 ft.

Media Vermeulen—Upright brevifolia with compact dense growth. Broad base. We consider this the best upright yew.

18 to 24 in.	4.00	3.75
Full 2 ft.	4.50	4.25
2 to 2½ ft.	5.25	5.00
2½ to 3 ft.	6.50	6.00
3 to 3½ ft.	8.00	7.50
3½ to 4 ft.	9.00	8.50

THUYA (Arborvitae)

each each
per 10 each
per 100

Occidentalis Americana (American arborvitae) **Broad-based pyramidal.**
